If your spiritual life feels more like performance than freedom, like an empty ritual rather than a joyful journey, let Wayne help you discover:

Father who loves you more than anyone on this planet ever has or ever will.

A growing confidence in his affection for you through whatever circumstances you face.

A vibrant relationship with him that will free you from the torment of shame while it transforms you to live as his child in the earth.

(only the first 6 chapters of this book are available now in Russian, but we will add the rest when they are ready)
